Dear :

Enclosed is a 5 X 7 copy of the group photograph taken of the Past Presidents at the FAEDS Conference in October, 1989. We are sorry it has taken so long to get this to you, but as FAEDS Historians we have only recently obtained the photograph from which to make prints.

Since we now have a list of past presidents with current addresses, we are enclosing a copy for your reference should you be interested in contacting them.

We hope you will enjoy the memories of your FAEDS colleagues which this represents.

Sincerely,

Mrs. Mary Esther Raker, Ms. Annette B. Barwick
